Your Passport to Adventure

SPORT The SPORT-model is the COMBI-CAMP ideal for couples. With the SPORT you are free and independent. You are able to set your own pace and to thoroughly enjoy the trip. Use the SPORT on holidays, weekends, for visiting the family or use it on a fishing trip or at a sporting event. In the long run you will not find a more economical and comfortable way of camping. The SPORT is versatile and practical with careful consideration to detail. It can be opened and ready for use in just 15 seconds, step in onto the solid floor and there is the double bed already set-up. It sounds easy and simple, and it is. Try it and you will understand what we mean.
